EARLY BONUS SCHEME (E.B.).

The following among other special advantages apply to ordinary Policies issued under this Scheme. Besides being payable immediately on proof of death and title, they are, *at the end of three years from their date,*

Entitled to Rank for Bonus Additions;
Indisputable on the ground of Errors or Omissions;
World-Wide without extra Charge; and
Kept in force wholly or partially even in cases of Non-payment of Premium.

At the last two Divisions of Profits in 1884 and 1889, Ordinary Whole Life Policies under this scheme received a BONUS ADDITION of **£2** PER CENT. for EACH year they were entitled to share.

SPECIAL BONUS SCHEME (D.B.).

Under this Scheme PROFIT POLICIES are issued at *Non-Profit Rates,* and share in the Profits when the premiums received, accumulated at 4 per cent. compound interest, amount to the Sum Assured. *Policies issued at these cheap Rates practically receive a large Bonus at the outset.* At age **30**, **£1,200** can be insured for the same Premium as would be charged for **£1,000** under the usual Profit Schemes of most Offices.

Policies of this class which have for the first time become entitled to rank for Bonus have received Additions at the rate of **£10 per Cent.**, besides a further progressive addition of **£1 per cent. per annum.**

SCOTTISH EQUITABLE
LIFE ASSURANCE SOCIETY.

ESTABLISHED IN 1831 FOR MUTUAL LIFE ASSURANCE.

President.
His GRACE THE DUKE OF BUCCLEUCH AND QUEENSBERRY, K.T.

Vice-President.
SIR GRAHAM GRAHAM MONTGOMERY OF STANHOPE, BART.

THE SOCIETY has now been in existence for 62 years, and is steadily growing in popular favour, as is shown by the figures in the following table:—

Year.	Number of Policies in Force.	Existing Assurances.	Income.	Total Funds.
1878	13,092	£8,392,566	£309,164	£2,352,846
1883	14,472	9,230 034	370,686	2,662,117
1888	17,249	10,477,580	401,469	3.010,261
1893	20,674	11,532,364	471,946	3,554,744

At the Fifteenth Division of Profits, made as at 1st March 1893, a Compound Bonus was declared at the increased rate of 30s per cent. per annum on the original sums assured, and on the previous bonus additions.

THE PREMIUMS are calculated by half-years of age.

NEW PLAN OF IMMEDIATE BONUS POLICIES.

Special attention is directed to this New Scheme, the rates under which are less than the usual Non-Profit rates. The yearly premium payable at age **30** for an Ordinary With-Profit Policy for **£1,000** will assure **£1,300** under this new plan, thus securing an Immediate Bonus of **£300.**

ANNUAL PREMIUMS to assure **£100,** subject to further reduction, as mentioned in Special Prospectus, if the Society's rate of Bonus exceeds 25s per cent.:—

AGE NEXT BIRTHDAY.

20	30	40	50
£1 12s.	£1 18s 8d.	£2 12s 2d.	£3 15s 10d.

The sums assured under these Policies being *absolutely guaranteed*, they are particularly suitable for Marriage Settlements, &c., when it is desired to obtain the largest possible Assurance for the smallest present outlay.

ENDOWMENT ASSURANCE POLICIES issued on unusually favourable terms.
THE GUARANTEED MINIMUM SURRENDER VALUE IS ENDORSED ON EACH POLICY ISSUED.

Complete and liberal Non-Forfeiture Regulations.—The Society has adopted the principle of Non-Forfeiture to its fullest extent; and there is now no possibility of a valuable policy being forfeited through an accidental omission to pay the premium.

CLAIMS are payable immediately after proof of death and title.

Loans granted in connection with Life Assurance on Life Interests, Reversions, and other approved security. Reversions purchased.

LORD PROVOST JAMES LOW.

DUNDEE DIRECTORY,

1894-95.

GENERAL NOTICE.

For a number of years we have pointedly alluded to circumstances which have formed an important factor in the commercial prosperity of our city, because in so doing the fact has been impressed upon us that Dundee, as the main centre of the jute industry, if it is not gradually losing its prestige in that respect, is, to say the least, being strongly affected by adverse conditions which are jeopardizing its success and paralyzing its enterprise. For nearly half-a-century Dundee might be said to have had almost a textile monopoly; it was long master of the situation, so called; and it held the markets firmly in its own hand. As an industrial community it defied competition, and it went on its way rejoicing in the delusion that it would never be undersold, or that its goods would be rejected and that of others preferred. Of recent years it has received a rude awakening. Its monopoly is gone; it holds the forefront no longer; and it has to face rivals who are neither unimportant nor contemptible. In many parts of the Continent the production of jute fabrics is very large, and India has become a serious competitor. In these and other countries the product is handled with a skill equal to our own. The fabrics produced are as good, and, as the wages are lower and the working hours longer, prices are cheaper. Unless Dundee manufacturers are able to compete with foreign countries, the latter will eventually take the lead in this important branch of commerce, and our city will probably have to lapse to a second or third rate position.

Last year in our General Notice we intimated our especial pleasure in being able to advert to unmistakable evidences of good trade. The previous year the cry had arisen about bad crops and languishing and glutted markets. Dundee appeared to have surmounted its difficulties. The signs gave hope; a firm tone arose in the market; manufacturers awoke to activity; works which had been put on a limited number of hours per week were placed on full working time; extra machinery was started; and traders and operatives looked forward to an unwonted spell of briskness. But a change soon took place. This bustle and activity was little better than inflation. It was a merely transient glimpse of better things. Its duration was limited; and in a short time trade receded even to a lower point than it had hitherto attained. Reduction of wages and short time were again resorted to; and during the early part of the year there were gloomy rumours of insolvency. These ere long came to be realized, and several heavy failures, in some cases of long established firms, eventually occurred. Younger and perhaps less stable firms

became involved, and altogether business is now hampered to a degree seldom if ever known in the city. At present many public works are closed, hundreds of operatives are idle, and much distress and privation consequently exist. In addition to these drawbacks, employers are insisting upon a further reduction of wages—ten per cent. upon the present rate—in the hope that they may be enabled to compete with India and the Continent. Hopes are held out that by taking this course we may have an opportunity of regaining our foothold; but of this, it must be admitted, there is room for doubt.

Apart from the unstable and uncertain character of the principal industry, our city is not by any means retrograding either socially, intellectually, or municipally. On the contrary, from these points of view it has made substantial progress during the year, and there is no doubt it will advance still further as time goes on. Important schemes, which will have a strong influence in regulating the affairs of the city, and which will place it on a higher status, have recently been introduced. The desirableness of having the different public Boards of the city amalgamated had long been a topic of discussion; but, although such a course was desiderated, serious obstacles blocked the way. An incident occurred, however, that facilitated the adoption of such a proposal. Mr William Hay, the respected Town Clerk, who had been in infirm health, died on 30th August last. Measures were at once taken to combine the offices of Town Clerk and Police Clerk, so that the duties of both should be discharged by one official. That course was agreed upon, and on 7th September Dr Thornton (now Sir Thomas) was unanimously appointed. Arrangements were further made to carry out the scheme of assimilation, and a measure, entitled the Dundee Corporation Bill, was promoted to amalgamate the Gas Commission with the Town Council, Police Commission, and other local Boards. This Bill, after being adjusted to the satisfaction of the County Council and parties interested, passed unopposed through the Committee of the House of Commons, and will soon become law. By this arrangement a great municipal reform has been effected, and the control of such an important department as the Gas Commission will now be vested solely in the ratepayers.

The most distinctive feature in our municipal procedure during the year has been the erection of our City into a County. Dundee has followed in the wake of Glasgow, and, although the latter city has wider scope for the exercise of powers conferred upon a county, still we will have greater administrative advantages than we have hitherto enjoyed. As a Court of Appeal, the Justices of the County of the City of Dundee will be able to deal in an impartial way with matters relating to licensing reform, without being hampered or retarded by antagonistic voting on the part of the Justices of the County of Forfar. Ample powers have been taken in the new Corporation Bill to secure the proper carrying out of the various details that regulate this new phase of our municipal machinery, and the future effect of this important step may confidently be looked upon as being calculated to do much good to the community, apart from the honourable position in which it places our city.

From a practical standpoint the past year can hold its own with any of its predecessors, if we are to judge from the number of excellent buildings that have been erected within the city and its suburbs. With the extension of the city boundaries, a stimulus has been given to building operations in all the northern parts. The whole of the Clepington district is being rapidly feued for the erection of the better class of workingmen's houses, and in other suburbs villas and mansions are being constructed for wealthier people. Within the city considerable improvements have also been carried through. The splendid range of buildings in North Commercial Street have been completed. The style of architecture conforms to that of the other properties, and, as the street is now finished, the uniformity of design enhances the appearance of that fine thoroughfare. A large portion of these structures are to be occupied as offices of the Corporation, and the Gas, Police, Water Engineer, City Engineer, and other departments of the public service are now located there. Operations connected with the new Post Office, which is to occupy the site of the old offices in Meadowside, will shortly be commenced, and it is anticipated that as a public edifice it will be one of the most attractive in the city. A large addition has been made to the administrative department of Parochial Board by the erection of an extensive Hospital at the East Poorhouse for the accommodation of the sick poor. The opening ceremony took place on 30th December, and the function was an interesting one. Another institution of an important character adapted for the conservation of the public health of the city is also about to be constructed, namely, a Smallpox and Cholera Hospital. A site for that purpose has been obtained on the lands of Baldovan, at Meric Muir, adjacent to the well-known standard stone at King's Cross. The object is to provide emergency wards to cope with an unexpected outbreak of any of these dreaded distempers. The cost is expected to amount to between £5000 and £6000. Many other undertakings of less note have been erected during the past twelve months, and others are in course of construction. Last year we pointed out the satisfactory agreement that had been concluded between the Tramway Company and the Police Commission. Since then rapid progress has been made in laying the new lines which are to carry the system to the east and to the northern parts of the city. In a few weeks the extended lines will be opened for traffic, and Downfield will then virtually be connected with Dundee. Another matter of importance has been going apace during the season. The Barrack Park, having become the property of the city, is now being improved to suit the requirements of the time. A carriage way, to extend from Gardner's Lane, at Lochee Road, on the west, to Garland Place, on the east, is being formed, and the steep embankment between Lochee Road and Barrack Square is terraced with approaches of easy gradients. It was proposed to erect a parapet wall and iron railing in front of the Park at Lochee Road, but this recommendation was rejected in the meantime on the ground of expense. Most of the minor buildings connected with the old barracks have been razed, and their sites will be included in the open space. The main edifices, which include the old Castle, the Officer's quarters, and the Hospital,

have been retained, and no doubt each will in time be utilized for some useful purpose. An opinion has been expressed that the old Castle should be restored to its original design, and probably this suggestion may be taken up in future. In addition to being allocated to purposes of sport and pleasure, it is expected that a Gymnasium, similar to those in other large cities, will be erected in the Square, for the amusement and recreation of poor children. A number of new streets have also been made on the Balgay estate. Glamis Road on the west has been extended eastward, and now forms a junction with Ancrum Road at Lochee Park. Another new street has been opened from Lochee Road, through Logie Farm, and joins Balgay Street. The latter thoroughfare has also been lowered and improved. We may also state that the installation of the Electric Light for the illumination of the centre of the city (including High Street) was formally inaugurated on 15th March 1893. Lord Provost Mathewson officiated on the occasion.

In social matters there is not much to which attention may be directed, with the exception, perhaps, of the visit of General Lord Roberts to the city on 23rd November (on which occasion he was presented with the freedom of the city in the Albert Hall); and two notable exhibitions, namely, the Old Dundee Exhibition and the Exhibition of Industry, the latter being under the auspices of the Trades Council. The year 1893 will also be remembered as that in which the greatest storm of wind ever experienced in this part of Scotland occurred. Great destruction was done to property, trees in thousands were uprooted, and tombstones in Balgay and Eastern Cemeteries were blown down and dismantled. This unprecedented physical disturbance, which affected the whole of Scotland, occurred on the 18th November.

There is another matter to which we would refer. A notable public official has received well-merited and just recognition at the hands of the Government. For nearly forty years Dr Thomas Thornton has been to the forefront in all great and important movements either connected with or appertaining to our city, and in anything he has undertaken he has brought a masterly mind to see it carried out to the satisfaction of all concerned. Her Majesty, therefore, in recognition of his great abilities, and the vast amount of public work he has done, has conferred upon him the honourable title of knighthood, a distinction which all parties agree is highly deserved in every respect.

We also wish to direct attention to another gentleman who has served the city faithfully and well. We refer to Lord Provost Low, whose portrait forms the frontispiece of this issue of the Directory. As a public man the Lord Provost has shewn exceptional capacity, and his career as a Councillor and Magistrate has been such as to win for him a high place in the estimation, not of his colleagues alone, but of the community in general. We have no hesitation in anticipating that as Lord Provost he will distinguish himself in a way that will reflect credit on his abilities as an administrator, and at the same time bring honour to the city of which he is the esteemed head.

7th June 1894.

Parcels addressed to or sent from the Channel Islands are received under the above conditions and rates, but such parcels are liable to Customs examination at the port of arrival, and the sender is required to make a declaration of contents upon a special form provided for the purpose.

Parcels addressed to a Post Office to be called for, or to a person residing beyond the free postal delivery, are kept three weeks. At the end of one week, if the parcel bears on the outside the sender's name and address, a notice of the fact that the parcel has not been delivered is sent to him.

Parcels addressed to a Post Office "to be called for," are liable to a demurrage charge at the rate of 1d a day. No demurrage is charged on parcels addressed to persons outside the limits of free delivery, or to persons on board ship.

In order to facilitate the return of parcels which cannot be delivered, it is most desirable that the name and address of the sender should appear on the outside of every parcel.

Compensation for the Loss or Damage of Inland Parcels.

If a parcel is not registered, the Postmaster-General will accept liability up to £2, without payment of any fee beyond the postage, provided that—(1) the parcel is posted in the manner prescribed for the posting of parcels, and the

postage prepaid; (2) a certificate of posting is obtained from the officer receiving the parcel; (3) the contents of the parcel are securely packed.

No compensation (either for loss or damage) will be given in respect of a parcel containing (1) anything which may not be sent by Inland Parcel Post; (2) money; (3) a watch or jewellery, unless registered.

No compensation will be given in respect of damage to a parcel containing eggs, soft fruit, liquids, or any exceptionally fragile or perishable articles; but, in all such cases, compensation will be given in respect of the loss of the parcel, or of any article contained therein.

Inland Registration.

The fee for registering any Inland postal packet (parcels included) is twopence, and this registration fee and the postage must be prepaid.

Every article presented for registration must be enclosed in a strong cover, securely fastened. It must be given to an Agent of the Post Office, and a receipt obtained for it. If, contrary to this rule, an article marked "Registered" be dropped into a letter-box, it will be liable to a registration fee of 8d (less any amount prepaid for registration).

Every article presented for registration should be marked "Registered," and with the amount of the fee proper to the value up to which the sender desires to secure compensation, thus—"Registered 2d," or "Registered 3d."

Inland postal packets containing coin, watches, or jewellery, if posted without registration, are subject to compulsory registration, and are charged on delivery with a fee of 8d, in addition to the ordinary postage; but such compulsory registration gives no title to compensation for loss or damage.

The sender of an Inland postal packet may obtain an acknowledgment of its due delivery by paying, at the time of posting, a fee of 2d in addition to the postage and registration fee.

The Postmaster-General will (subject to certain rules) give compensation for the loss and damage of Inland Registered Postal Packets of all kinds upon prepayment of a fee in addition to the postage. This fee either consists of, or includes in each case, the ordinary registration fee of 2d; and the scale of fees and the respective limits of compensation are as follows:—

Fee 2d,	Compensation	£5.	Fee 7d,	Compensation	£30.
,, 3d,	,,	£10.	,, 8d,	,,	£35.
,, 4d,	,,	£15.	,, 9d,	,,	£40.
,, 5d,	,,	£20.	,, 10d,	,,	£45.
,, 6d,	,,	£25.	,, 11d,	,,	£50.

The registered Parcel Post is also available for watches and jewellery. Money may also be sent in a registered parcel, but no compensation will be given in respect of the loss or damage of such parcel.

Re-direction.

No charge is made for the re-direction of letters (including registered letters), whether re-directed by an officer of the Post Office or by an agent of the addressee after delivery, provided, in the latter case, that the letter is re-posted not later than the day (Sundays and public holidays not being counted) after delivery, and that it does not appear to have been opened.

Post Cards, book packets, sample packets, newspapers, and parcels are, when re-directed, liable to additional postage at the prepaid rate for each re-direction. But re-directed parcels are not subjected to additional postage if the original and corrected addresses are both within a delivery from the same Post Office.

A Postmaster is not bound to re-direct letters for a person temporarily leaving home, unless the house be left uninhabited.

Money Orders.

When applying for Money Orders, the public should use the printed "Application Forms," which are supplied gratuitously at all Money Order Offices.

The commission on Inland Money Orders is :—

For sums not exceeding £1,								2d.
,,	above £1 and not exceeding £2,							3d.
,,	,,	£2	,,	,,	£4,			4d.
,,	,,	£4	,,	,,	£7,			5d.
,,	,,	£7	,,	,,	£10,			6d.

The applicant must furnish, in full, the surname and at least the initial of one Christian name, both of the remitter and the payee, together with the remitter's address. In the case of Foreign Orders the full address of the payee must be given; and if the Order be payable to a native in British India, the Tribe or Caste, and the Father's name must also be furnished.

Exceptions.—1st. The remitter of an Inland Order may direct at the time of issue, that the Order be crossed like a cheque thus, & Co., and thus be payable only through a Bank. In that case he may give or withhold the name of the payee. The designation of the Bank need not be furnished.

2d. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient.

3d. The usual designation of a firm, as well as the ordinary title of any company or society, is sufficient either as remitter or payee.

The remitter may make his order payable ten days after date, provided that, when he obtains the order, he affix thereto, in the presence of the Postmaster, in the space after the request C., a penny adhesive stamp, and write his signature across the stamp.

To guard against fraud the remitter is recommended,—

1st. When he is well known to the payee, to sign the letter enclosing the Order with his initials only.

2nd. When this is not the case, either to make the Order payable ten days after date, or to register the letter enclosing it, or to make the Order payable through a bank by crossing it like an ordinary cheque.

3d. When it is not considered expedient to adopt either of these courses, to send the remitter's name (without a knowledge of which payment cannot be obtained) in a separate letter from that containing the Money Order; although this latter precaution is much less effective than either of the others.

Money Orders for amounts not exceeding £50 are issued free of charge when required for the remittance of Income Tax, Inhabited House Duty, Land Tax, Excise Duties, or Legacy and Succession Duties.

Money may be transmitted by Telegraph Money Order in the United Kingdom. The commission is double the rate of an ordinary money order, and, in addition to the commission, a charge is made at the ordinary inland rate for the Official Telegram authorizing payment at the Office of Payment and for the repetition thereof, the minimum being 9d. Any telegraphic communication which the remitter may wish to despatch to the payee must be paid for at the ordinary inland rate, the minimum being 6d.

Money Orders are issued in the United Kingdom on the following Foreign Countries, British Colonies, &c., at the rates of commission shown below :—

Such Postal Orders are paid at all Money Order Offices in the United Kingdom, and at the British Post Office Constantinople. Payment is also made in Malta and Gibraltar, provided the Orders were issued in the United Kingdom or at the British Post Office Constantinople.

The following are the amounts for which Postal Orders are issued, together with the Poundage payable in respect of each Order :—

The person to whom a Postal Order is issued must, before parting with it, fill in the name of the person to whom the amount is to be paid, and may fill in the name of the Money Order Office at which the amount is to be paid. The person so named must, before payment can be made, sign the receipt at the foot of the Order, and must also fill in the name of the Money Order Office, if that has not been already done.

Every person to whom a Postal Order is issued should keep a record of the number, date, and name of office of issue to facilitate enquiry if the order should be lost.

If a Postal Order be crossed "_____ *& Co.*" payment will only be made through a Banker, and if the name of a Banker is added, payment will only be made through that Banker.

PREPAYMENT OF INLAND LETTERS AND BOOK PACKETS.

Inland Letters, Book Packets, Trade Patterns, and Samples, may be prepaid in money (instead of by affixing stamps) provided that the amount paid for postage at one time is not less than £5, and that the letters and circulars be tied in bundles representing a postage of 5s each, with the addresses all

arranged in the same direction. Prepayment, however, cannot be made partly in money and partly with stamps, and the money must be paid at the time the letters, &c., are handed in at the Head Post Office. Hours of posting under this arrangement, 10 A.M. till 4 P.M.

Inland Revenue Stamps, &c.

Inland Revenue Stamps of all kinds, Bill Stamps, Civil Service Fee Stamps, Bankruptcy Stamps, Patent, Design, and Trade Mark Stamps and Forms, Dog, Gun, and Private Brewers' Licenses, may be purchased at the Post Office between the hours of 9 A.M. and 6 P.M. For list of Stamp Duties see page 48.

Foreign and Colonial Letters.

The rates of postage on letters for Foreign Countries and the Colonies will be found in the Table of Foreign and Colonial Postage on page 122.

Letters posted unpaid, or insufficiently paid, to any country where payment is compulsory, are returned to the writers. Unpaid letters to or from places abroad are charged double the prepaid rate, and partially prepaid letters are charged with double the deficiency.

No letter for a colony or foreign country may exceed 2 feet in length or 1 foot in width or depth.

The addresses of letters for Russia should be very plainly written, and the name of the town and province should also be added in English, French, or German.

Foreign and Colonial Newspaper and Book Post.

Articles which may be sent to places abroad under the Book Post Regulations consist of two classes, as follows :—

(a) "Commercial Papers," under which are comprised all papers or documents written or drawn wholly or partly by hand (except letters or communications in the nature of letters, or other papers or documents having the character of an actual and personal correspondence), documents of legal procedure, Deeds drawn up by public functionaries, copies of or extracts from Deeds under private seal (and whether written or printed on stamped or unstamped paper), Way Bills, Bills of Lading, Invoices, and other documents of a mercantile character, documents of Insurance and other public companies, all kinds of manuscript music, the manuscript of books and other literary works, and other papers of a similar description.

(b) "Printed Papers," including newspapers, periodical works, books (stitched or bound), pamphlets, sheets of music (printed), visiting cards, address cards, proofs of printing (with or without the manuscript relating thereto), engravings, photographs, drawings, pictures, papers impressed for the use of the blind, or card-board drawing models stamped in relief, plans, maps, catalogues, prospectuses, announcements, and notices of various kinds, whether printed, engraved, lithographed or autographed, and in general all impressions or copies obtained upon paper, parchment, or card-board by means of printing, lithography, autography, or any other mechanical process easy to recognize, except the copying press and type writer, and anything usually appurtenant to any of the before-mentioned articles in the way of binding, mounting, or otherwise, and anything convenient for their safe transmission by post which shall be contained in the same packet; also printed, engraved, or lithographed circulars, notwithstanding that such circulars may be letters or communications in the nature of a letter. On printed visiting cards the address or title of the sender, or conventional initials, such as "p.p.c" may be written, and on printed circulars manuscript corrections and insertions may be made as to names of commercial travellers, dates of journey and dates of departure of

ships. Printers' proofs may be corrected in manuscript, as may also figures in prices current, stock and share lists, &c. Books, music, photos, and engravings may have a dedication inscribed on them, and the invoice relating to them may be inclosed. Stamps for prepayment and all printed articles constituting the sign of monetary value are however excluded.

The two classes are subject to the same rates of postage, except that the minimum charge for a packet of Commercial Papers is 2½d in every case. If there be any mixture of the two in the same packet the whole packet is treated as Commercial Papers.

Commercial Papers and printed papers may be posted either without a cover (in which case they must not be fastened by gum or otherwise), or in an envelope left unfastened, or in a cover open at both ends. The packet may, however, be tied at the ends with string.

To secure the return of packets which cannot be delivered, the name and address of the sender should be written or printed outside.

The limit of size for British Colonies or Possessions or non-Union countries are 2 feet in length by 1 foot in width or depth; but to foreign countries in the Postal Union the length is limited to 18 inches. If in the form of a roll the limits of size in either case are 30 inches in length and 4 inches in diameter. The limits of weight are 5 lbs. for British Colonies or Possessions, and for non-Union countries or colonies; and 4 lbs. for foreign countries in the Postal Union.

All Books and printed matter imported into the United States through the Post, however small the values, are subject to a duty of 25 per cent. of that value. The following articles are still exempt from Custom duties:—1. Newspapers and periodicals already exempt from duty; 2. Photographs and printed papers, other than Books, received in the United States in such small quantities as to suggest that they are intended for personal use and not for sale.

Books and Periodicals addressed to the Republic of Colombia are liable to Customs duties unless intended for the personal use of the addressee.

Bound books addressed to Portugal are subject to Customs Duty. The wrapper should bear an indication of the nature of the contents, and also the words "A soumettre à la douane," otherwise the books will be liable to a fine in addition to duty.

The rates of postage, which must be prepaid, on packets to places abroad are given in the Table of Foreign and Colonial Postage on page 122.

Foreign and Colonial Patterns and Samples.

There is a Pattern and Sample Post to Foreign Countries and the Colonies generally; but it is restricted to *bonâ fide trade patterns or samples of merchandise.* Goods sent for sale, or in execution of an order (however small the quantity may be), or any articles sent by one private individual to another which are not actually patterns or samples, cannot be forwarded as patterns.

No article liable to Custom Duties can be sent as a sample or pattern.

The rates of postage will be found in the Table of Postage on page 122.

Patterns or Samples, when practicable, must be sent in covers open at the ends, and in such a manner as to be easy of examination. But samples of seeds, drugs, and such like, may be posted enclosed in boxes or bags fastened in such a manner that they may be readily opened.

There must be no writing or printing upon or in any Sample Packet for non-Union countries, except the address of the person for whom it is intended, the address of the sender, a trade mark or number, the price of the articles, the weight or size, and the quantity to be disposed of, or such as may be necessary to indicate the place of origin or the nature of the merchandise. A packet for a country in the Postal Union may contain Printed Papers, and if the rates for Commercial Papers be paid, it may also contain Commercial Papers.

Samples of saleable value must not be sent to any foreign country, or to any of the British possessions which are comprised in the Postal Union.

Liquids, Glass, Explosives and Colouring Powders, are absolutely prohibited.

The limit of weight for British Colonies or Possessions or for non-Union countries is 5 lbs., but for the Argentine Republic, Austria, Belgium, Bolivia, Bulgaria, Congo Free State, Costa Rica, Dominican Republic, Ecuador, Egypt, France, Greece, Guatemala, Hawaii, Holland, Honduras Republic, Hungary, Italy, Japan, Liberia, Luxemburg, Mexico, Persia, Peru, Portugal, Roumania, Salvador, Servia, Siam, Spain, Switzerland, Tunis, United States, and Venezuela, the limit is 12 oz., and for other countries of the Postal Union, 8 oz.

The limit of size for British Colonies or Possessions or for non-Union countries is 2 feet in length by 1 foot in width or depth; and for foreign places in the Postal Union 12 inches in length, 8 inches in width, or 4 inches in depth; unless it be in the form of a roll, in which case the limit of size is 12 inches in length and 6 inches in diameter.

Foreign and Colonial Post Cards.

Single and Reply Post Cards are transmissible to all parts of the world (except St Helena, to which single cards only can be sent)—Single Cards, 1d each; Reply Cards, 2d each. (Inland Post Cards are transmissible abroad if the additional postage required is supplied by postage stamps being affixed.) The regulations relating to Inland Post Cards apply also to Cards posted for places abroad.

Parcels which slightly exceed 2 ft. in length are accepted for transmission to Belgium, France, Holland, Luxemburg, Sweden, and Switzerland, provided that their other dimensions are inconsiderable.

For Canada—Greatest length, 2 ft.; greatest depth or width, 1 ft.

For Mexico—Greatest length, 2 ft.; greatest girth, 4 ft.

For places named in the Table of Parcel Postage—other than those detailed above—same as for Inland Parcel Post.

The postage must in all cases *be paid in advance*, by means of postage stamps affixed by the sender. Each parcel must be plainly directed, and should bear the words "Parcel Post" in the upper left-hand corner, and the name and address of the sender. The date of posting should also be added. A parcel must not be posted in a letter box, but, as in the case of the Inland Parcel Post, must be taken into a Post Office and presented at the counter.

Parcels will be liable to Customs duties and regulations, and the sender of each parcel will be required to make a Customs declaration furnishing—upon a special form provided for the purpose, which can be obtained at any Post Office—an accurate statement of the contents and value, the date of posting, and other particulars.

Parcels for Her Majesty's ships cannot, as a rule, be accepted for transmission unless the name of the particular place, to which in each case the parcel is to be forwarded, forms part of the address.

The transmission of any letter whatever, no matter to whom addressed, in parcels for foreign countries and for Cape Colony, South Africa, Seychelles, Mauritius, Natal, Jamaica, the Australian Colonies, Fiji, New Zealand, and Trinidad, is strictly forbidden. Invoices in open envelopes, giving particulars of the goods contained in the parcel may, however, be enclosed.

Parcels for Aden, Ascension, Egypt, India, St Helena, South Africa, and Zanzibar, must not exceed £50 in value.

Parcels containing coin, watches, jewelry, or any article of gold or silver, cannot be sent by Parcel Post to any Foreign Country or British Colony included in the insurance system, unless they are insured for at least part of their value, and packed according to special regulations.

Parcels should be securely packed, and must, if for Foreign Countries, be so sealed that they cannot be opened without the seals being broken.

Compensation for Loss or Damage.

The Postmaster-General will, subject to certain rules, give compensation for the loss or damage of uninsured parcels sent by Parcel Post to various foreign countries (to amounts not exceeding 12s and 20s) when such loss or damage takes place while the parcels are under his custody; and in the case of parcels lost or damaged while under the control of a Foreign or Colonial Administration, the Postmaster-General will endeavour to obtain compensation for the senders.

Insurance of Colonial Parcels.

Parcels addressed to the following countries are accepted for Insurance to an amount not exceeding £50 at the rate of 6d for every £5 Insured:—

Foreign Countries.—Austria-Hungary, Belgium, Cameroons, Denmark, Egypt, Germany, Holland, Italy, Montenegro, Norway, Roumania, Sweden, Switzerland.

British Colonies and Possessions.—Aden, Antigua, Ascension, Bahamas, Barbados, British Guiana, British North Borneo, Ceylon, China (part of), Cyprus, Dominica, Falkland Islands, Gambia, Gibraltar, Grenada, India, Labuan, Montserrat, Nevis, Newfoundland, St Helena, St Kitts, St Lucia, St Vincent (West Indies), Straits Settlements, Tobago, Tortola, Trinidad, Zanzibar.

Parcels to Holland, Italy, or Montenegro cannot be insured for more than £40; or to Roumania for more than £20.

Insured parcels must be substantially packed, and sealed with wax or lead. Seals must be placed over each join or loose flap of the covering, and at the ends of the string. The seals must all have distinct impressions of the same device, such device not consisting merely of straight or curved lines. Parcels containing coin, watches, or jewelry must be enclosed in strong boxes substantially fastened.

Spoilt Stamps.

Applications for allowance on spoilt, or unused, postage stamps, embossed envelopes, post-cards, or newspaper wrappers, which have not passed through the post, should be made at the Stamp Office.

Post Office Savings Bank.

Deposits of one shilling, or of any number of shillings, may be made by any person at the Post Office Savings Banks to the extent of £50 in one year ending 31st December, and £200 in all, including interest.

Any person desirous of saving one shilling by means of penny contributions, for deposit in the Post Office Savings Bank, may do so by purchasing with every penny so saved a penny Stamp, and affixing it to a form to be obtained at any Post Office. Instructions as to this form are printed thereon.

Government Insurances and Annuities.

Under the Government Annuities Act, 1882, Insurances may be effected for amounts not less than £5 and not more than £100 on one life; and Annuities may be purchased for amounts not less than £1 and not more than £100 on one life. Post Office Telegraphs.—Inland Telegrams.

The charge for telegrams throughout the United Kingdom is 6d for the first 12 words, and ½d for every additional word. Addresses are charged for.

The telegram forms are of two kinds, the "A 1" form, embossed with a stamp, and the "A" form (given gratis), with no stamp. The "A 1" forms may be purchased singly. They may also be had in books of 20, interleaved, and with a sheet of carbonic paper, price 10s 2d each book.

When the terminal office, *i.e.*, the office nearest to the address, is a Head Post Office, the amount paid for transmission covers the cost of delivery within one mile or within the town postal delivery when that extends for more than a mile. But when it is not a Head Post Office, the message is delivered free within one mile only.

When the addressee resides beyond the free delivery, porterage is charged at the rate of 6d per mile or part of a mile, provided the whole distance does not exceed three miles. If the addressee resides at a greater distance than three miles from the terminal office, porterage is charged, for delivery by mounted messenger, at the rate of 1s per mile (except in Ireland, where the charge usually is only 8d per mile), the distance being reckoned from the office door.

Copies of a telegram directed to more than one person in the same free delivery are delivered at a charge of twopence per copy, in addition to a halfpenny for each word in the address of the copy.

No combination of words is counted as one, with the exception of those which are ordinarily written as one, or coupled by hyphens, as "mother-in-law," "non-delivery," "almshouses," "forty-seven." Certain exceptional names, such as O'Neil, MacDonald, De la Rue, are charged for as single words. So, too, are names with the prefix "St," as St Pancras; but double names of persons, like Smith-Payne, are counted as two words.

Abbreviations of words, "can't," "won't, "don't," are counted as single words, but there is a great risk of error.

Figures are counted at the rate of five figures to a word. Fractions are counted according to the number of figures employed, one figure being added for the mark of division. In groups of figures a stop is counted as a figure. The symbols o/o, a/c, b/l, and c/o are each counted as one word. Ordinal numbers are charged in the same way as cardinal, with the addition of one word for the affix st, nd, rd, or th. Initial letters are each counted as one word, with the exception of the initials of the London Postal Districts, which are counted as one word for each group.

Anyone may have an abbreviated address, registered on payment of a guinea a year, but the registration of abbreviated addresses is not recommended.

The cost of a reply, not exceeding forty-eight words, may be prepaid, and a reply form will then be delivered to the addressee, who will be at liberty to send his reply, from any telegraph office, at any time within two months.

Telegrams can be repeated, if the sender desires it, by being signalled back from office to office. No copy is, in such case, given to the sender. The charge for repetition is one-half the ordinary tariff. Telegrams containing mercantile quotations or figures, and telegrams written in cypher, or according to a preconcerted code, should always be repeated.

Foreign Telegrams.

Foreign telegrams are of two kinds, telegrams in plain language and telegrams in secret language. Those in plain language are composed of words, figures, and letters conveying an intelligible meaning. Those in secret language are divided into: (1) preconcerted language or code, (2) cypher.

Code telegrams are those composed of words, the context of which has no intelligible meaning. Proper names are not allowed in the text of code

telegrams, except in their natural sense. Words of more than ten letters are not allowed. In Code telegrams only English, French, German, Italian, Spanish, Portuguese, Dutch, and Latin, may be employed, but words of any or all of these languages will be allowed in the same telegram.

Cypher telegrams are those containing groups of figures having a secret meaning. Telegrams consisting of groups of letters are not accepted, but groups of letters denoting trade marks are allowed in the midst of plain or preconcerted language and are then charged for as figures.

The address of the sender is charged for, if transmitted; in any case it must be written at the foot of the form.

In ordinary European telegrams the length allowed for a word is 15 letters, in extra-European telegrams 10 letters; any additional letters being charged for at the rate of 15 or 10 letters respectively to the word.

Subject to the limit as to number of letters, ordinary compound words and names of persons and places, &c., written without break or interruption, are counted as single words. If joined by a hyphen, or separated by an apostrophe, they are counted as so many separate words.

Compound numbers written in words and without break are also counted as single words subject to the same limit as to the number of letters. The name of the office, county, province, and country of destination in the addresses of telegrams are each charged for as one word whatever their length.

Every separate letter or figure is charged for as one word, and in European telegrams every group of five figures or letters is counted as one word, larger groups being counted at the rate of five figures or letters to a word, plus one word for any excess. In extra-European telegrams groups of figures (or letters when used as trade marks) are counted at the rate of three to a word, plus one word for any excess. Bars of division, decimal points, and stops used in the formation of numbers are counted as figures. Letters added to figures to form ordinal numbers are counted as figures.

If the sender desires to prepay a reply of 10 words he must insert before the address of the receiver "R P," which is charged for as one word; but if he desires a reply of more or less than 10 words, he must insert "R P——", which are charged for as two. A less sum than 10d cannot be accepted in prepayment of a reply. More than 30 words cannot be prepaid.

ASK FOR PARTICULARS OF THE

EQUITABLE'S NEW INSTALMENT POLICY.

RYSWORTH HALL, BINGLEY, YORKSHIRE,
December 30th, 1892.

DEAR SIR,—I have sent a fresh application to the EQUITABLE LIFE ASSURANCE SOCIETY OF THE UNITED STATES for a fresh £2,000 Tontine Policy for 15 years.

I was quite satisfied with the result of the 20-year Policy which expired on the 9th inst.

I paid for £2000 Assurance £96 per annum (the lowest rate you charge, having taken my Policy when I was 27 years of age).

Thus in 20 years I paid in all £1920, and on the morning of December 9th, the day the money was due, I received from the Society their cheque on the Bank of England for £3235 4s 5d.

An excellent investment seeing that I was also insured for £2000 for the whole 20 years.—Yours faithfully, (Signed) CHARLES W. DUNLOP.

Mr Dunlop had the following options:—

1. Cash,	£3235 4s 5d.
2. Paid up Assurance,	7460
3. Annuity for Life,	242

(This gentleman has since increased the £2000 to £5000.

Prospectuses giving results of Tontine experience, Forms of Proposals, and any other information, may be obtained on application to any of the Society's Agents, or from

THE

Dundee Burial Society

WAS established on the 20th March 1862, for the purpose of enabling working people, by means of small weekly payments, to insure sums at death (according to age) so as to provide decent burial. It is the only Society of its kind having its head-quarters in the city. It is managed by working-men in their spare hours. Once every year the qualified members are called together, and the whole of the Society's affairs reported on, and office-bearers are elected from the members present at the meeting. Any qualified member can be proposed for a vacant office. Since the commencement of the Society the membership has gradually risen, until now there are over 12,000 members on the register, with invested funds to the amount of £10,441, while at the end of 1893 there was £1422 lodged in the Savings Bank, the two making a total sum of £11,863, and that after paying death claims to the amount of £1,200 per annum. The Society since its commencement has also paid back to the members entitled the sum of £5,000 in bonuses, and this year a further sum will be paid out as bonuses amounting to £2,933 2s 0d, not a bad saving for five years? Bonuses are paid to members every five years. Working people belonging to Dundee should consider the claims of this Society before joining Societies with their head-quarters outside the city.

Anyone calling at the Office, 2 BAIN SQUARE, Dundee, between the hours of 7 and 8 p.m., every lawful day (Saturday excepted), will get copies of the Rules, and be given all information regarding the working of the Society; or they can apply to any of the collectors, whose names and addresses are given on the opposite page.
